

Massage Oils

Our massage oil range of three products caters for a broad spectrum of massage therapy requirements. All are free of mineral oils.

Professional's Blend

A high quality and easy to massage product. It is a non staining, low allergenic formula which provides easy clean up and is very economical.

Crystal

The ultimate in easy massage. A special fractionated vegetable oil and a new highly purified macadamia nut oil combine to provide a silky smooth massage. Crystal is clear and non staining with a very easy towel dry clean up.

Supreme

Liquid luxury. Supreme represents the richest and smoothest of massage oils. With 22% jojoba and plentiful in natural anti-oxidants such as rosehip and vitamin E. Also with chamomile. May be heated slightly for a sublime massage experience.

Massage Creams

Pure white, non-staining, with a pleasant smooth massage, Nutri-Pharm's massage creams greatly enhance your massage therapy options. Convenient pack sizes. Easy water clean-up. Enriched with purified macadamia nut oil and emu oil.

Austral-Balm Lite

Our smooth massage cream with wintergreen essential oil. Ideal for sports massage. The mild wintergreen fragrance is very popular.

Myopax Lite

Combines lavender and rosemary essential oils to help soothe tight and achey muscles. Beautiful fragrance.

"Oils of the Outback"

Elegant and super smooth, the "oils of the outback" range combines luxury with rare Australian essences. The range consists of five distinct styles, all in a wonderfully smooth, non-staining massage oil base.

Vital

A blend of lime and native Australian Lemon Myrtle Oil, with a hint of mandarin, creates the invigorating experience of vital.

Serene

The wonderful aroma of premium tea rose and native Australian Desert Rosewood Oil creates a serene massage experience.

Harmony

The freshness of lilac and native Australian Southern Spring Flower Oil creates a massage that is relaxing yet refreshing.

Indulgence

The gentle fragrance of musk and native Australian Strawberry Gum Oil creates a truly luxuriant massage.

Masculine

Musk blended with selected spices and native Australian Sandalwood Oil makes masculine a soothing and special experience.

Nutri-Pharm's Therapeutic Range

Listed with the Australian Therapeutic Goods Administration (TGA) the therapeutic range is potent yet all natural. Very high quality ingredients and rigorous product testing set the standard for all other Nutri-Pharm products.

Austral-Balm

A blend of therapeutic oils for the temporary relief of arthritic pain, muscular aches, pains, cramps, spasms and sciatica. It is easily massaged and the high potency (wintergreen oil 246mg/g) also includes emu oil, which has demonstrated marked anti-inflammatory activity in recent studies.

Myopax

A therapeutic massage oil blend with anti-spasmodic properties. Containing high quality oils such as french alpine lavender, rosemary, myrrh and emu oil. For period pain, cramps and muscle tightness. Suitable for neck and shoulder massage and use in bath. Very pleasant fragrance.

Psoria

A therapeutic ointment for the relief of symptoms of psoriasis, eczema and dermatitis. Blended with the potent anti-inflammatory chamomile german combined with the anti-itch properties of selected essential oils, Psoria also utilizes the therapeutics of vitamin D3. Natural and gentle to the skin.
